# About Us

**Every rural town needs a place to gather.**

In the West Australian town of Mogumber, the community are stepping up to secure the future of their local watering hole and the prosperity of the town.

The Mogumber Outback Club purchased the historic Mogumber Tavern in December 2022. Local volunteers spent an intensive six months renovating and restoring parts of the venue. In June 2023, the doors of the Mogumber Hub opened, providing a gathering place that really is the 'Hub' of the community.

**Mogumber  
Outback  
Club Inc**

The Mogumber Outback Club (MOC) are previously known as creators of the districts biggest tourism event, the Mogumber New Years Eve Rodeo. The event is MOC's major fundraising activity.

The Mogumber Outback Club Inc is an incorporated, not-for-profit association. The Club is the entity which owns the Mogumber Hub property and business, ensuring true community ownership. There are no shareholders or individual owners, so profits are directed back into community purpose and projects. Members of MOC have elected a subcommittee known as the Mogumber Hub Board - locals who are contributing their business experience and skills towards the Hub's strategic decisions making.
